

Promoting and Growing Northwest Watersports since 1956.

Next Meeting: June 9 @ 6:30 p.m. HO Watersports

Hello Skiers,

It's Seano, reporting for Kia who is busy water skiing. The May Lake Rental at Kories was a great success. Anyone who has been in the sport for a while would be inspired to hear what some of our new members had to say about the weekend. "The group there was spectacular," states one new member. In addition, they were "very patient with me as I was learning a lot." This says a lot about not only the club in general, but about the long-time members *promoting our sport* with pride and humility. Another new member thought the world of the private water skiing realm, and wondered "why I had not joined the club earlier?"

...just how cool...

So whether you are looking for glass on Lake Sammamish, pulling out for the gates in a tournament, or just going for buoys at a lake rental this summer, take a moment and remember *just how cool* our sport is. And better yet, how cool it is to share it with a friend...

Ski ya later - Seano!
